

A very warm welcome to any visitors or newcomers here today  
Please make yourselves known after the service, or fill in one of the  
green welcome cards.

If you would like to revisit a sermon some of them are available on the website  
under 'Worship'.

### Please remember in your prayers:

**The Sick.** Father, by the power of your Spirit you have filled the hearts  
of your faithful people with gifts of love for one another. Hear the  
prayers we offer for our relatives and friends. Give them health of mind  
and body that they may be able to do your will with love. We ask this  
through our Lord Jesus Christ your Son. Amen.

**The Departed.** Lord God, creator of all, you have made us creatures of  
this earth, but have also promised us a share in life eternal. Receive  
our thanks and praise that, through the passion and death of Christ, our  
brothers and sisters can share with your saints in the joy of heaven,  
where there is neither sorrow nor pain, but life everlasting. Amen

**Congratulations to** Charlotte Ashdown and Luke Tams getting married  
here on 20 August.

### Youth Work at St Andrew's

Now that Claudia has completed her Youth Ministry degree (with a 1st;  
well done, Claudia), she has decided to step back from her roles as  
Youth Minister, leader of the Friday evening youth group and  
safeguarding officer. If anyone is interested in taking on these roles,  
Eleanor (725948) would be very pleased to hear from you.

### Repairs and Renewals

**Nave Roof** - The eagle-eyed amongst us may have noticed that the  
various buckets that have been adorning some of our pews and heaters  
have been removed.

A specialist team came out and have succeeded in mending no less  
than 33 fractures in the lead! The repairs will not last for ever, but  
they should buy us the time we need to raise the necessary funds to  
carry out more extensive (and more costly) work.

St Andrew's' quinquennial inspection will take place in mid-August, and  
this will be the first step in that long-term restoration process. Watch  
this space!
